

January 2018 – Happy New Year!

**Words from Melissa:** (owner) January is a special month as it is a time to reflect on the past year and look forward to a new and exciting year. It is also Elite’s birthday month! We are turning 8 years old! As the gym grows and changes, we always review our programs and philosophy. We are constantly monitoring equipment/mats/procedures for athlete safety and strive to give our athletes the full overall platform they need to become well-rounded individuals. This year our mission statement will be re-analyzed to expand the basis for our foundation. Our gym is going through revamping in many ways, from a fresh new paint, an updated decorating theme, improving a warm caring family friendly gym, to reintroducing the Character Counts pillar program.

**Happy New Year 2018!** We want to “Thank You” for a wonderful 2017 and we look forward to seeing the growth, learning and accomplishments that your athletes will aspire to in 2018! Elite Athletics has very exciting new programs and opportunities for your families for 2018. We appreciate your continued commitment to the gym and your children!

**Did you know? Skill Assessments:** We will be implementing a more structured skill assessment procedure so that families can receive better up to date knowledge of where their child’s level of progression is. Currently each child in our program has a skill chart specific to what they have accomplished and/or what they still need to work on. Look for more information coming as we implement this new system within the first part of 2018!
